### TRENDY FURNITURE TYPES FOR HOME SETUP

- Advanced & Functional Furniture
- Contemporary Furniture
- Artistic & Antique Furniture
- Rustic Furniture
- Bohemian Furniture

## ADVANCED & FUNCTIONAL FURNITURE

As the name suggests, modern furniture is the one that is fully functional and comes with the most advanced features to bring the utmost comfort in lives. These furniture types are a blend of advanced features and stunning looks.

## CONTEMPORARY FURNITURE

If described in short, these furniture pieces are nothing but a combination of clean and simple lines without fuzziness in the designs. These are very close to that of modern furniture but have their own style of representation.

## ARTISTIC & ANTIQUE FURNITURE

These kinds of furniture are created for history lovers or the period piece admirers. They are ideal for the humble home setup in the countryside or in the outskirts to spend some time in peace during vacations or so.

## RUSTIC FURNITURE

These furniture types are created to bring the sense of comfort in the living spaces, these furniture are warm and comforting and designed to spend the leisure time on it.

## BOHEMIAN FURNITURE

These are the latest fad, we can say this without the shadow of doubt. These furniture setup bring out the colorful textures and pop hue that enlightens the home space wherever they are placed, these bring out your free spirit.

## TYPES OF FURNITURE FOR VARIOUS ROOMS

Living Room Furniture | Dining Room Furniture  
Bedroom Furniture | Study Room Furniture  
Patio & Garden Furniture | Nursery & Children Room Furniture  
Kitchen Furniture | Bathroom Furniture

### LIVING ROOM FURNITURE

This is the most central point of your home where everyone you know from your family and friends and even others gather to meet. So it is important to create this space in such a way that it gives a complete idea of your whole house decor.

Here are some most important names of furniture pieces that you must include in your living room to bring out the beauty and functionality.

- Sofas, Sectionals & Couple Seats
- Recliners & Accent Chairs
- Cocktail/Coffee Tables
- Ottoman Furniture
- TV Stands
- Media Consoles
- Bar Cabinets
- Swivels & Gliders

## DINING ROOM FURNITURE

This is the place where your family and friends eat and share their most cherished memories and this is also a place where your table manners are showcased. So it is important to give this area a touch of perfection.

Here are some most trending dining room furniture names-

Dining Tables & Chairs

Centerpieces

Crockery Shelves

Arm Chairs

Sideboards

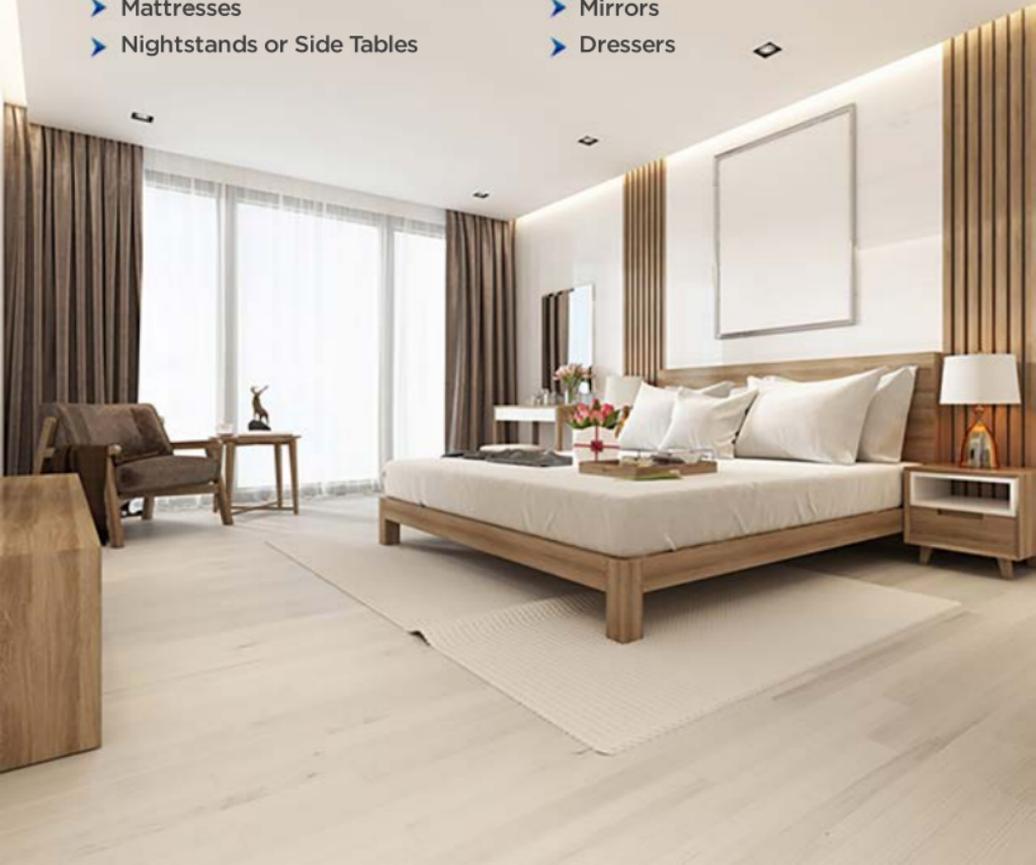

Console Tables

## BEDROOM FURNITURE

This is the room where you find peace after a long and tiring day and to get a good night sleep and utmost comfort. Not only this, a modern day bedroom comes with attached dressing areas where you dress up and get ready for the next day. This is why you must include the following furniture to your bedroom area.

- Beds
- Bed Headboards
- Mattresses
- Nightstands or Side Tables
- Chests and Armoires
- Benches
- Mirrors
- Dressers

## STUDY ROOM FURNITURE

This is the most intellectual room in your whole house, kidding, but this is a place where you spend hours and hours in reading, writing and gathering knowledge of the whole world. This is why the furniture of this house should be most comforting and fully functional to keep all your things in place.

Here are the most important pieces of furniture you should have in your study room.

- Study or Computer Desk
- Comfy Chairs
- Bookshelves
- File Cabinets
- Other Functional & Ease to Access Furniture

## PATIO & GARDEN FURNITURE

For the barbeque parties, pool side fun or for the peaceful evening teas, this garden area is used and it should be ready for such fun.

- Lounging and Relaxing Furniture
- Outdoor Chairs & Table Set
- Sofa Sections
- Outdoor Sofa Sets
- Children's Outdoor Furniture

## NURSERY & CHILDREN ROOM FURNITURE

This is the area your little one grows to be like you one day, so this place should be well-equipped with the best and safe furniture styles for your little one. Here are some suggestions-

Cribs or Bassinets

Children Beds

Nappy Changing Tables

Clothing Storage Cabinets

Study Tables

Rocking Chairs

## KITCHEN FURNITURE

Usually the dining and kitchen areas are attached and both share the common furniture setup, but here are some essential furniture items that are required solely for the cooking area.

- Kitchen Tables
- Glass Shelves
- Spice Racks
- Counter and Counter Extension
- Bar Stools
- Kitchen Coffee Table Set
- Crockery Closet

## **BATHROOM FURNITURE**

This is the most ignored area of the house but this area also needs a certain sort of furniture to give a classy look to your bathing area and make the place fully functional. Here are some suggestions.

Wash Basin Cabinet

Mirror Cabinets

Bath Essential Shelves

Corner Wall Shelf Unit

Storage Spaces
